Agreed Report 3rd February 2021

- The board conducted their annual review and update of the school's Anti-Bullying Policy and this is now available to view in the policy section of the website.
- The board also reviewed the School's Code of Behaviour Policy.
- The board ratified a number of purchases including new child friendly noticeboards for display, screen at the reception area to display school projects and desktops for mainstream classes.
- The board wished to thank all pupils, parents and staff for their continued hard work and dedication in adapting to such difficult circumstances during term two and making the transition to remote learning at sudden notice.
