Tri-Heroes Programme

We are delighted that pupils from Senior Infants to 6th Class will be participating in the Tri-Heroes programme over the next four to five week period. Tri -Heroes is a programme, delivered from a qualified Triathlon coach that includes a 4 session triathlon programme. This programme introduces triathlon to pupils in an enjoyable, interactive and non competitive environment. The activities include walking/ running and cycling.

If your daughter has a bicycle or non electric scooter, they will be asked to bring it to school with them on the days that these activities will be focused upon. There is no issue if your daughter does not have a bicycle/non electric scooter or if it is not suitable to bring to school. Alternative arrangements and activities will be organised by the triathlon coach.

Celebrating Difference Week

Our school are delighted to announce that we will be organising a “Celebrating Difference Week” from Monday the 23rd May to Friday the 27th May. Pupils will be learning about and celebrating the many unique differences that we all have during this week. This will help to further extend pupils own understanding and appreciation of what makes everyone special and unique.

Parents are invited to come and visit our “Celebrating Difference Showcase” in the PE hall on Thursday the 27th May. Exact times for visiting the showcase will be communicated via Aladdin over the course of the next two weeks.

A number of interesting speakers are currently being arranged to speak on topical issues during the evening time in the PE hall over the course of this week. Exact times and details of these speakers will also be communicated via Aladdin over the course of the next two weeks.

With Covid restrictions being in place over the last two years, this is a great opportunity to meet again in person and celebrate school life.

Active Week 2022

Our Active Week will take place from Tuesday the 7th June until Friday the 10th June this year. Our school sports day will take place on Friday the 10th June (weather pending). We are delighted to welcome parents back to the school campus for sports day this year! All details for Sports Day will be sent via Aladdin closer to the time.

A big well done to our school football team on their victory over Le Chéile ETNS in the second round of the Jimmy Curran Cup. There were strong performances all over the pitch and the girls were delighted to win this close contest.
